

Peran Petani Swadaya dalam Minyak Sawit Berkelanjutan

Rukaiyah Rafik

FORTASBI

FORTASBI diinisiasi pada tahun 2014, oleh dua kelompok petani swadaya (Asosiasi Amanah dan Gapoktan Tanjung Sehati) dan beberapa NGO yaitu WWF Indonesia, Yayasan Setara Jambi, SPKS, Sawit Watch & SNV.

Visi:

Terwujudnya petani kelapa sawit swadaya berkelanjutan yang sejahtera dan bermanfaat bagi masyarakat dan lingkungan.

Mission :

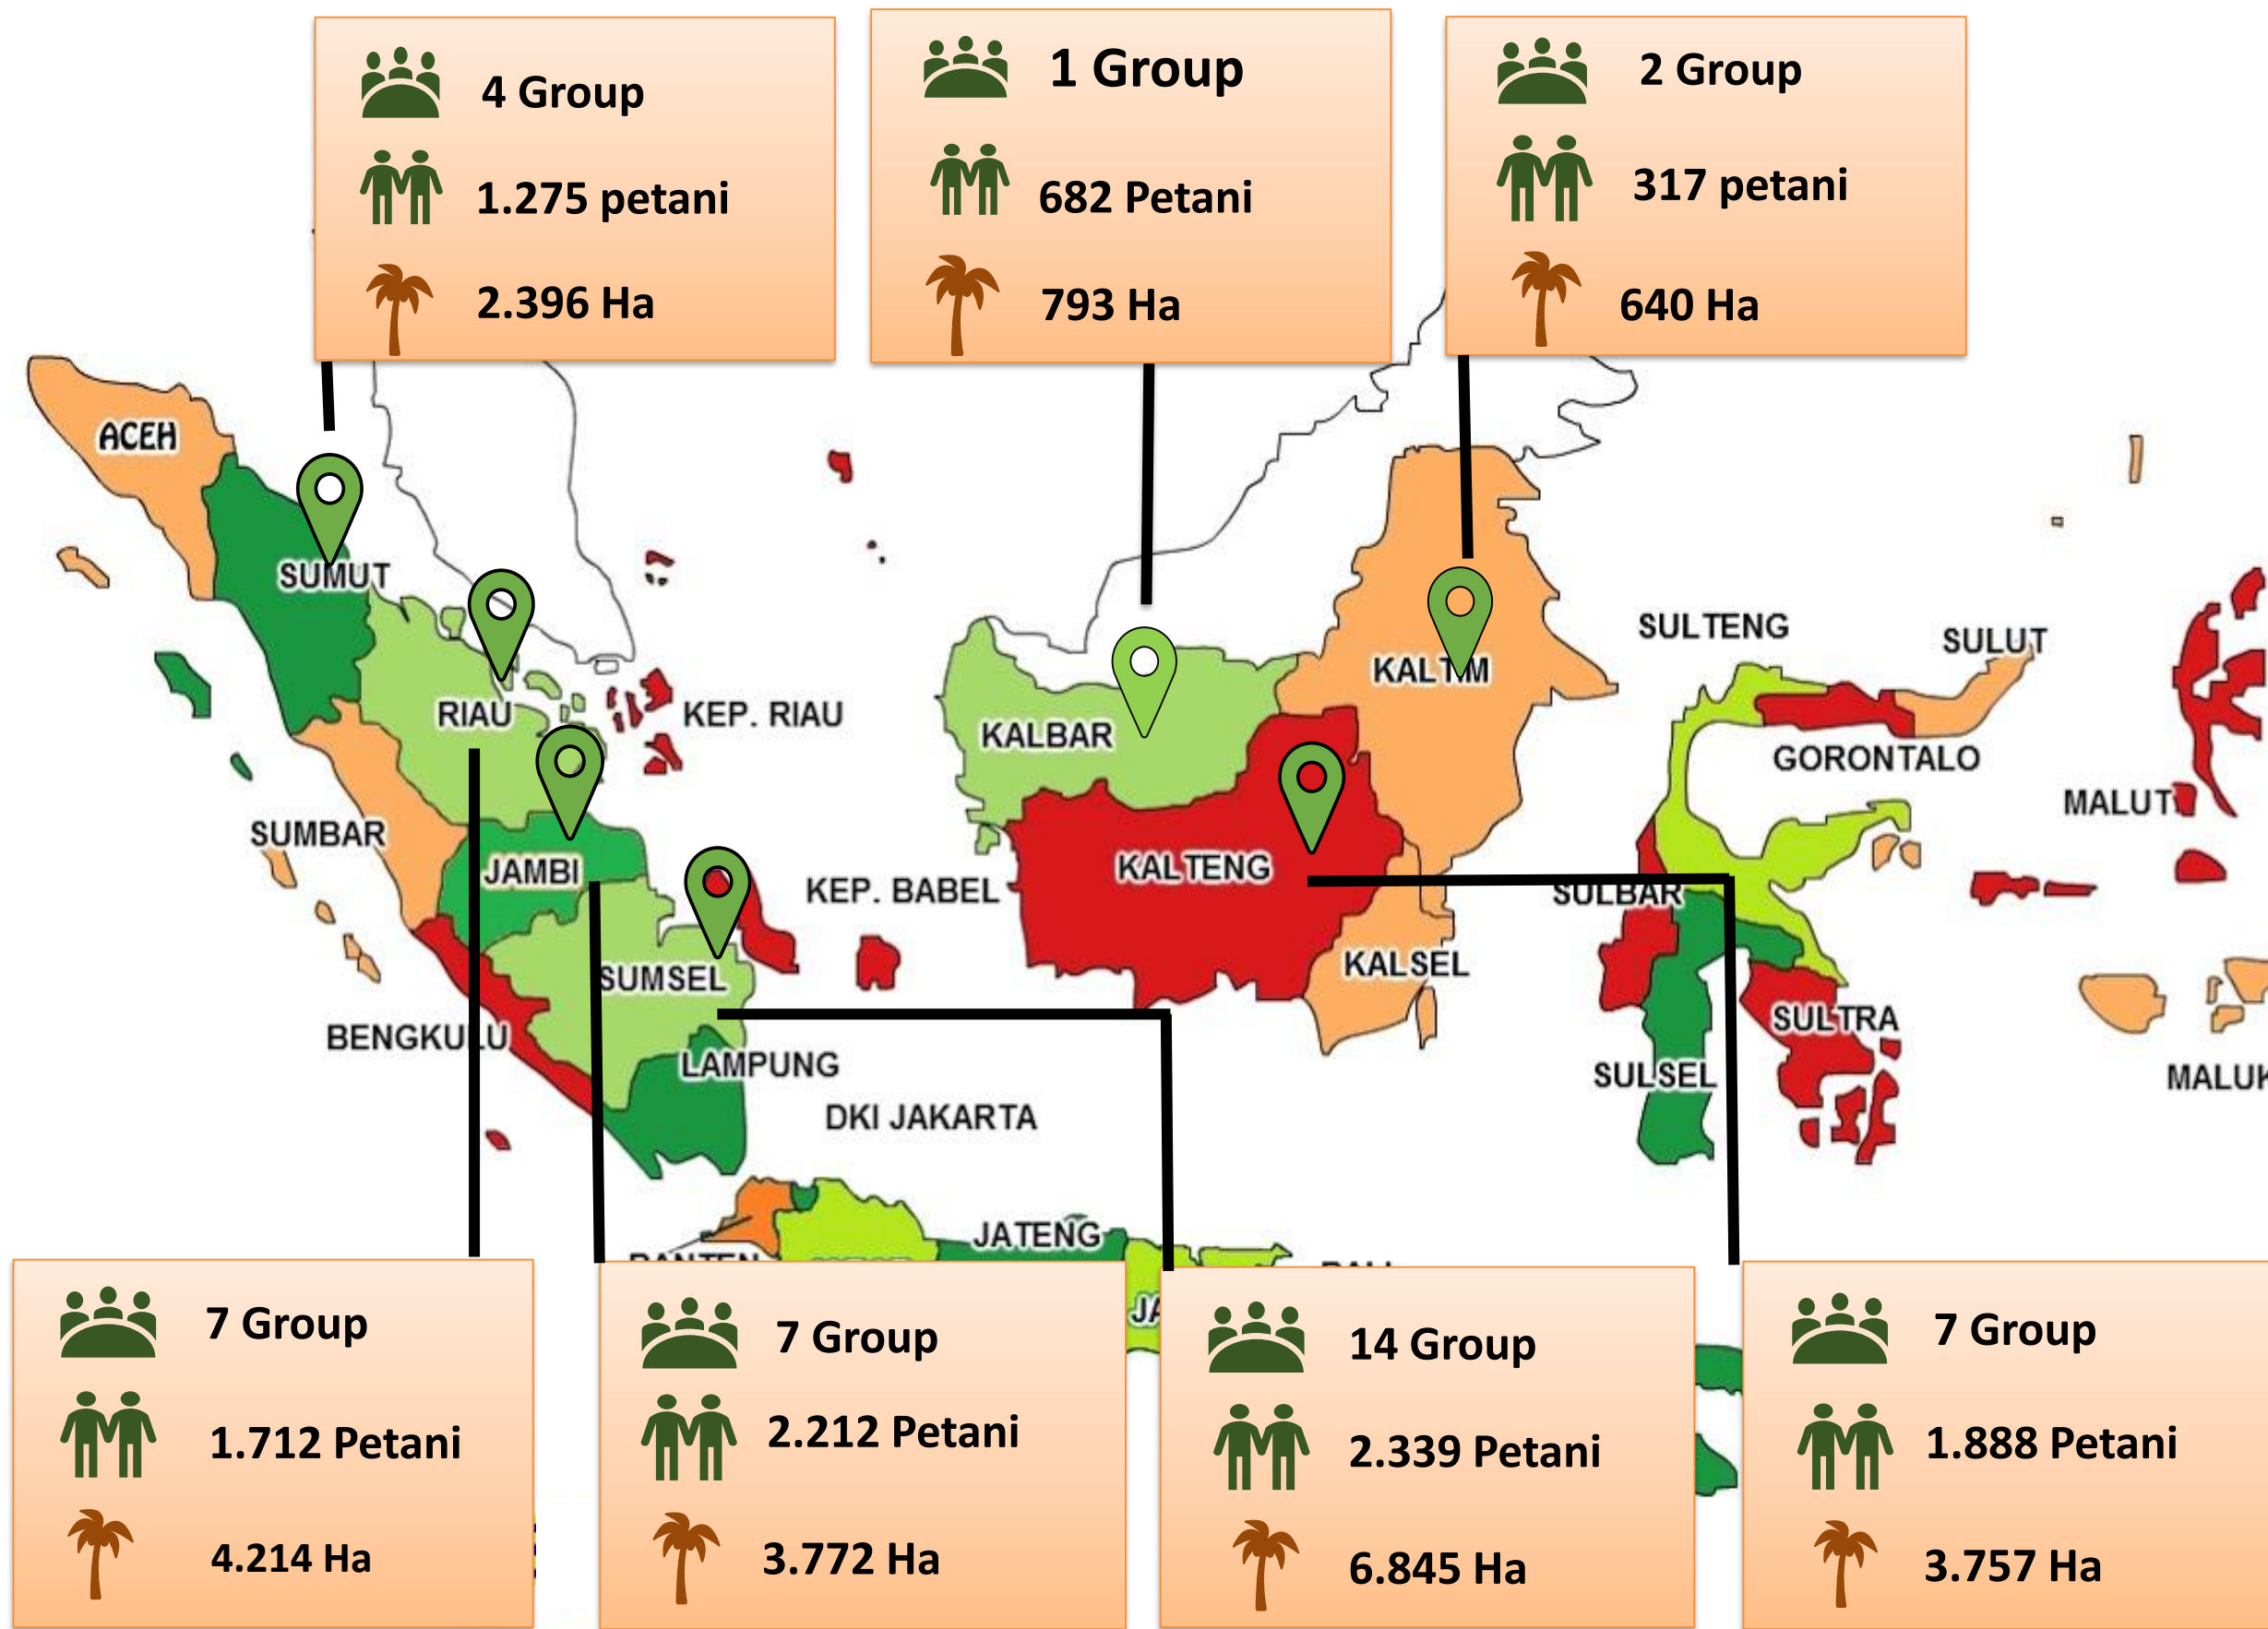

Meningkatkan kapasitas, produktivitas dan mata pencaharian petani sawit swadaya.

Menghubungkan petani kelapa sawit swadaya dengan pasar dan membawa cerita dari lapangan ke pasar.

Mendukung anggota dalam mengelola sertifikat.

Memperluas dampak keberlanjutan di tingkat masyarakat dalam bidang pendidikan, kesehatan, kesejahteraan, perlindungan dan inklusi.

Di tahun 2022, FORTASBI memiliki 42 anggota kelompok tani dengan total anggota sebanyak 10.425 petani swadaya dan total luasan kebun sawit 22.419 ha. Para anggota telah tersertifikasi RSPO, ISPO dan ISCC dengan total produksi 425.961 TBS (85.192mt CSPO, 8.625mt CSPKO 2021)

10.425 anggota petani mendapatkan insentif dari penjualan kredit RSPO mencapai 3jt USD. Anggota kelompok kami tidak hanya menggunakan dukungan kredit ini untuk kebutuhan kelangsungan sertifikasi saja melainkan untuk kegiatan sosial, dukungan pendidikan baik bagi anggota maupun masyarakat luas non petani sawit serta untuk aktivitas perlindungan dan pelestarian lingkungan.

HOW FORTASBI Accelerate Sustainable Palm Oil in Indonesia

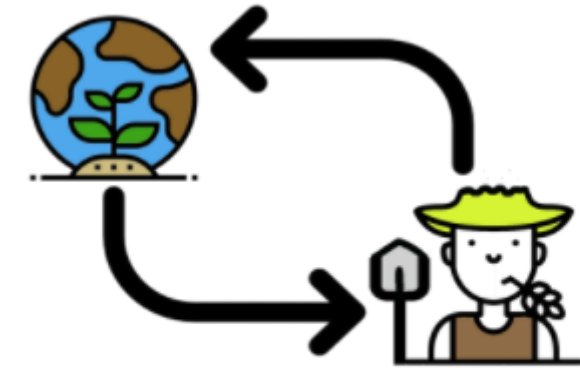

Working together with the mills and other parties (Local Government) to promote sustainable palm oil (RSPO and ISPO Mechanism).

Advising member to expand and scale up membership in their group. Member get Member

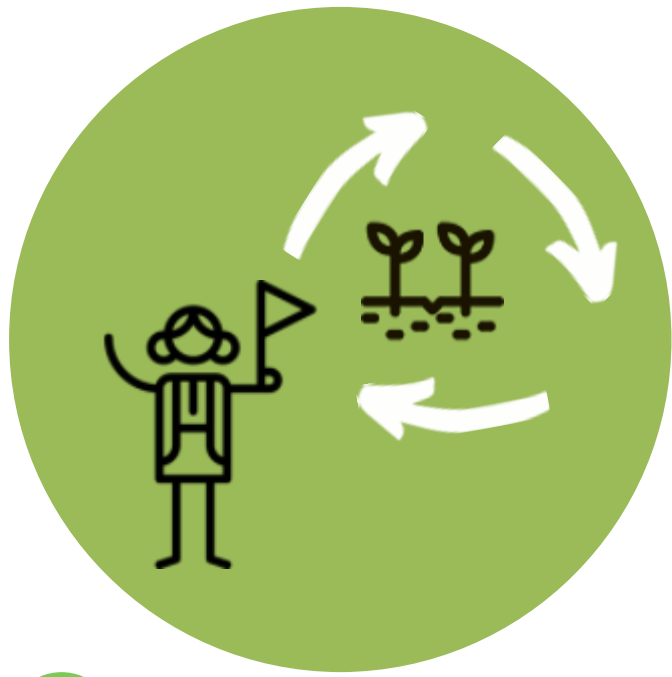

Bring the Story of sustainability impact to market

Connecting Smallholders to the market Through Credit Purchasing

○
Conducting regular field visit for buyers to see how ISH implement the sustainability practice in the field. 2019, buyer from Japan

○
Developing online map; Green Point for Smallholders

○
Incorporating Smallholders Academy RSPO and FORTASBI Smallholder School to promote sustainability certification and beyond.

○
Created Local Trainer from Smallholders (Member) certified RSPO. Now FORTASBI have 12 Master Trainer and 42 Local Trainer from 8 Province

Certification is Learning Process for Smallholders

UD Lestari Provide 4 Ambulance free for community

Respect to Women Worker right in Amanah Riau

Edu Tourism in KUD Tani Subur Central Kalimantan
